Ales

Goose Island Brewery (Chicago, IL, USA)

I.P.A. 5.9% - "Recalls a time when ales shipped from England to India were highly hopped to preserve their distinct taste during the long journey. The result is a hop lover's dream with a fruity aroma, set off by a dry malt middle, and long hop finish." 355ml - £4

Lagunitas Brewery (Petaluma, CA, USA)

I.P.A. 6.2% - "A well-rounded, highly drinkable IPA. A bit of Caramel Malt barley provides the richness that mellows out the twang of the hops." 355ml - £4

Hambleton Ales (Ripon, N. Yorks)

GFL (Gluten Free Lager), 5.2% - "A lighter and paler beer, mainly for those that enjoy an easy drinking premium lager style beer rather than an ale. Uniquely balanced and best served chilled." 500ml - £4.25

GFA (Gluten Free Ale), 4.8% - "The UK's first Gluten Free Beer, and we would say still the best, having been voted UK and Europe's best Gluten Free Beer at the World Beer Awards 2015. A tawny ale with aromas of Cascade, Liberty and Challenger hops." 500ml - £4.25
